

LIBRARY

Our library resource is a target for important development where pupils learn the importance of individual research and discovery. Our library resource centre computerized research and global outreach is an entry point to computer assisted learning.

COMPUTERS

The school has a state of art computer laboratory which is networked. We offer lessons in computer techniques that enhance our student's ability to access the world and use resources for their own growth and personal improvement. Our aim is to integrate the curriculum with information technology.

OUR CHILDREN

A good education is the most precious gift you can give to your child. We at Entebbe Junior Primary School are serious about ensuring your child receiving the best and affordable education. The school takes children from Kenya, Tanzania, Burundi, Sudan, DR Congo, Bosnia, UK, Morocco, etc.

OBJECTIVES

- The school is committed to:
- Providing quality but affordable education to all.
- Training future God fearing leaders.
- Providing education that leads to the discovery and use of each child's individual talents.
- Being partners with the government in development and eradication of ignorance and illiteracy.
- Uplifting individual children to cope with the standards of the modern society.

ELECTRICITY, WATER, INTERNET

- The School has sufficient water supply, reliable electricity with stand by generator and internet facilities,

FEEDING:

Children are entitled to a balanced diet. Serious attention is taken to promote good health of the pupils. Boarders get break fast, break tea, lunch, evening tea and dinner. Day scholars are only entitled to break tea, Lunch and evening tea all served in a spacious dining hall.

REQUIREMENTS FOR ALL PUPILS

Black shoes, for both boys and girls, canvas shoes for P.E& sports, school bag, swimming costume and a box file for upper classes.

All boarders will be required to bring; bed sheets, blankets, towels, sandals, slippers, shoe polish, suit cases (not metallic), night garments, underwears, two plain maroon T-shirts & 2 navy blue skirts or shorts. Boarders may be taken out by their parents on Saturdays after 1:00 pm. for P.4 to P.6, how ever, lower primary on Fridays after 5.30 pm.

NB. All should return on Sunday before 6.00 p.m.

ADMISSION

Admission to school is by interview. A test of the child's numeracy and English literacy skills is required in order to assess which class the child should be admitted. Whilst discussion and consultation with the parents will take place, the professional judgment of the relevant teachers & head teacher will ultimately decide the class in which the child is admitted. The head teacher's decision will be final. Interested parents can pick application forms from the Head teacher's office. Returned along with a birth certificate, 2 passport photographs, a report card of previous school and admission fee.

PARENTS IN PARTNERSHIP WITH THE SCHOOL

The school expects you to do the following:

- Support the school's objectives and aims.
- Encourage good discipline in your child by re-enforcing the school's behaviour and discipline policies.
- Ensure your child attends school consistently and notify the school as soon as possible in case of absence.
- Equip the school with necessary information about your child's behaviour and health status.
- Support all school programmes when called upon.

SCHOOL MOTTO
Effort Achieves.

SCHOOL MISSION
Providing Quality and Affordable Education for all.

ABOUT US

Entebbe Junior Primary School is a private day and boarding primary school located in Entebbe Municipality along Air port Road. It runs both the National and Cambridge curricular which provide us the with opportunity to graduate globally relevant citizens. Entebbe Junior Primary School has a multi-disciplined and vastly talented staff that meet the current expected high standards. It is against this background that we invite you to join this mighty institution for a life time educational experience.

ACADEMIC PERFORMANCE

We have posted very good academic results at Primary Seven for the last decade. Our pupils have exhibited very high standards wherever they have enrolled for secondary school education. Some of them have indeed remained top performers nationally in both the Ordinary and the Advanced levels of their secondary school education.

TRANSPORT

We have a number of school vans and a coaster in the school to offer transport services to our learners. Our drivers are very patient and experienced to the satisfaction of our clients.

EVALUATION

We subject our learners to four sets of examinations in the term, On reporting to school for any new term, our pupils sit for the Beginning of Term Examination. This helps the learners to spare some time for their academic work during holidays. Mid-term examination is done at the half way mark of the term.

Parents are always invited to come to school and check on the pupils' progress around that time.

Our pupils sit for two sets of examinations at the end of every term. The internal examination is set by the teachers while the external examination is set by teachers from other schools. The external examination helps us a great deal in gauging the learners in relation to other schools.

Directors always reward pupils that manage to post aggregate Four in every examination that is done in the school.

Subjects Taught in the UNEB Section

Integrated Science, English, Social studies, Religious Education, Reading, Mathematics, Music Dance and Drama. Writing, French, Art & Technology, Information & Communications Technology.

CLASS SIZE

The school maintains a policy of keeping small sized classes. This allow s the children to gain a more personal relationship with their teachers at a time, This enables the teachers to know their children well and to devote more time to individuals and to monitor their progress with care.

CO-CURRICULAR

Adding to a comprehensive curriculum offered learners participate in at least one club e.g. Debating , Red Cross, Scouts and Girl guides, Wildlife, Music, Dance and Drama, Mathematics, Science clubs etc.

Out door games include swimming , athletics, volley ball, basket ball, football, badminton, table tennis etc.

Indoor games include , Ludo, Draft, Snakes and Ladders, Scrabble, Chess and Monopoly. Children are given chance to watch an educative Video show every Sunday to help them learn on their own. All these activities are supervised by competent teachers.

DISCIPLINE

ENTEBBE JUNIOR aims at educating the pupils to become responsible adaptable individuals, able to communicate and interact with the world around them. Learning in any society needs rules and regulations in order for it to function properly.

Discipline is an essential part of this education. Infringements of the school rules will be dealt with severely by the school administration. Suspension and expulsions will be enforced in cases of severe bullying, stealing, racism, rudeness to a member of staff, vandalism of school property and physical violence towards another person.
